Unlock the Timeless Beauty of Ikebana with the Ohara School

Discover the ancient art of Japanese flower arranging, Ikebana, with the esteemed Ohara School, one of the three largest schools of Ikebana. Founded during the Meiji period, the Ohara School focuses on expressing the beauty of natural scenery through Ikebana.

Founded in 1974, the Southeastern US Ohara Chapter proudly celebrates its 50th Anniversary by offering this very special program. Join us as we commemorate this milestone with an unforgettable demonstration showcasing the artistry and tradition of Ohara Ikebana.

The demonstration is free* and open to anyone interested in Japanese culture, art, horticulture, or flower arranging. Immerse yourself in the beauty of Ikebana and gain insights into this centuries-old tradition.

For more information about this program or to register to attend the demonstration visit:
